NUMBER X

NumberX is an app-based Mastercard that enables users to combine the security of their bank with the advantages of new financial technologies. The focus is on maximum freedom and flexibility, the greatest possible acceptance and, at the same time, high security and transparency. NumberX can be used via the NumberX app (iOS and Android) based on a monthly flat-rate model. The company was founded in 2020 with its headquarter in Vienna (Austria) by Claudio Wilhelmer and Matthias Seiderer and is supported by well-known partners and industry-related investors.

NumberX is looking for a world-class:

Full Time Android Senior Engineer (M/F/D) - Vienna, Austria or Remote (EU)

to join our growing team, helping us to expand our company across Europe as effectively as possible. Our ideal candidate is an experienced Android engineer and must be a natural hands-on initiative-taker who has a track record of success and ability to thrive in high-growth, fast-paced environments.

What you'll be doing:

- Building a secure and performant native Android (Kotlin) app
- Work with newest hardware and software the Android Universe has to offer
- Setup a CI infrastructure with automation and testing
- Manage and coordinate releases
- Grow a team of experienced professionals around you, take the lead and be proactive
- Collaborating with the back-end developers and other team members to establish objectives and design more functional, cohesive code to enhance the user experience.
- Expect to be PEN tested once in a while
- You are working closely with the core team

What skills you'll need:

- Significant experience, deep knowledge and understanding of native Android Kotlin
- App architecture patterns, App Security, Fastlane
- Deep knowledge of animations and transitions
- You are passionate about what you are doing
- Active member of the open source community is a plus
- English full professional proficiency, other languages (e.g. German) are a plus
- Knowledge in (online/mobile) banking and the payment industry is a plus
- Working experience in a startup environment is a must

At NumberX it's about getting **it done and owning what you do. Our team is highly entrepreneurial and autonomous, we treat people equally and give freedom to everyone. If you believe you have what it takes, get in touch with us by dropping a line, and don't forget to attach your CV with a few sentences why you want to join us: hiring@numberx.com

Depending upon the qualification and experience of the candidate, remuneration will be competitive. Due to legal reasons, we are obliged to disclose the minimum salary, which is € 3.618 gross per month (IT collective agreement). However, our attractive compensation package is based on market-oriented salaries and is usually above. The employer is a company registered in Austria with its office located in Vienna.
