- Creating and maintaining frameworks, policies and processes
- Conducting internal trainings, maintaining the SAR and reporting to our partners and authorities if necessary
- Aligning constantly with the compliance team of our banking partners
- Working closely with the core team
- Possibility to become the Head of Risk & Compliance

What skills you'll need:

- At least 3 years of experience in a similar environment
- You enjoy working closely with a team and it's something you have done previously
- Hands-on mentality and a willingness to take an active role
- Strong execution skills and far above average drive
- Analytical driven mindset, excellent communication skills
- Willingness to work hard in a fast-driven startup environment
- English full professional proficiency, other languages (e.g. German) are a plus
- Knowledge in (online/mobile) banking and the payment industry is a plus
- Working experience in a startup environment is a must
